2. Choose the timetable for your academic year and click login.	
	nter the same user name and password you use to login to your Harper Adams University esktop.
	ou will then see four tabs down the left-hand side of the page. The only tab you will need is ne student tab, which looks like this:
	ouble click this tab.
	ou will then see your name. Hover your cursor over your name a green arrow will appear n the right, like this:
	lick the arrow to view your timetable.
W ar th re w	ou will now see your timetable, along with a calendar of weeks in the bottom left corner. When you first log in all weeks will be selected, and the timetable you will be viewing will be noverview of the full year. In order to see one week at a time, you will need to de-select ne weeks you do not wish to see. You can do this by clicking on the weeks you want to emove from your view, or to remove several weeks at once, you can click the first week you vish to remove, hold your mouse button down and drag to the final week that you want to emove. The weeks can be toggled back on in the same way.

make sure only one week is selected. If you have and queries please contact the module leader, who will be able to confirm details.
